LEHI IS AFTER L. D. S. U. SCALPS

Southern Champions Accuse English Runner Beats Relay Saints of Having Cold Feet.

(Special to The Herald.) Lehi, Jan. 9 .- The Lehi basketball fans are considerably exercised over the L. D. S. basketball team's refusal to come to Lehi after having agreed to come, and characterize the excuse of the Saints as being flimsy in the extreme. The game was arranged for last evening, but the day before the L. D. S telephoned that unless a bonus of \$25 in addition to their expenses was guaranteed, the game would be called off. Coach Terry refused to be held up, and secured a team from the B. Y. U. of Provo. The game was rather one-sided, the score being 41 to 11 in favor of Lehi. The feature of the game was the star playing of John Wood, a one-armed youth who played center in the second half, and played all around his Provo opponent.

The L. D. S. team, receiving a post card with a donkey's hide printed thereon, with with a donkey's hide printed thereon, with the legend, "skinned in Lehi," beneath, retaliated by sending some rubber bands to the Lehi team, with 'a remedy for swelled heads' attached thereto. The Lehi boys today mailed the Saints a pair of miniature wool stockings with a statement that "These are good for cold feet." In addition, a prominent Lehi business man authorizes the statement that, besides paying the L. D. S. U. team's expenses to Lehi, he will give them \$50 if they can defeat the home team, or he will contribute any sum that the Saints will match for a purse to be given to the winners if the Salt Lakers will come down and play.

UNCLE TOM'S CABIN. (A Song of the Color Line.

By William F. Kirk.

I'm sick of Ibsen's grewsome plays, I pass on Bernard Shaw; I've quite outgrown the Cohan craze, And Anna Held seems raw. That good old play by Harriet Stowe Is what I'd like to see, With Langford playing Uncle Tom And Kaufman as Legree.

John Drew remains the same John Drew, Gillette is getting stale; Whole Clyde Fitch, though growing rich, Is tiresome as a jail. Uncle Tom's Cabin! Listen, friends, That is the dope for me,
With Langford playing Uncle Tom
And Kaufman as Legree.

Imagine Kaufman towering high,
And Langford on the ground;
Imagine hearing Kaufman cry
"Take that, you oid black hound!"
This is a very thrilling scene.
But, oh! the frost 'twould be,
With Langford playing Uncle Tom
And Kaufman as Legree!

Chicago, Jan. 9 .- Action of the United States Golf association at New York yesterday in awarding the amateur championship to Chicago and making it possible for five clubs to place an independent ticket in the field will have no marked effect on the deliberations of the Western Golf association when it meets a week hence. The resolution to make the western organization international in its scope will be offered as previously forecasted.

SKATING RINK OPENS.

The Auditorium rink on Richards street The Auditorium rink on Richards street has undergone a great change since Thursday last when Phil S. O'Mara, owner of the building, put a stop to dancing there and decided to revive roller skating. Mr. O'Mara says it is a most opportune time for a revival of the pastime. The rink opens Monday evening and thereafter there will be sessions afternoons and evenings except Sunday. A feature will be the latest music rendered by a fine-piece orchestra and many special parties are being planned for the near future.

LAWYERS VS. PREACHERS.

Chicago, Jan. 9.—Whether or not the lawyers of Chicago can wallop the preachers of Chicago in a game of indoor baseball, will be determined on the night of Jan. 16, when a team made up from members of both professions will come together. Some of the foremost representatives of both calling will take part.

Jim Jeffries is the most talked of man in the sporting world today. The public look upon him as the one man who can step back in the ring and defeat Jack Johnson, wiping out all claim the black man has on the world's championship. The only question seems to be whether Jeffries can get in condition again. He is nearly 34 years old and has not been in training for four years. If he could only get in the condition he was at that time there is but little doubt that he would easily defeat Johnson. Jeffries has all along insisted that he would never enter the ring, and if left alone probably would not. Yet the fact that he has started light training within the last week leads one to believe that he will finally consent to meet Johnson if the training shows him he can get in fit shape for a battle.

Admission was charged for the benefit of the Italian sufferers.

Fowler covered the distance in 2 hours 43 minutes and 55 seconds, 7 minutes and 29 seconds slower than the outdoor record held by Maloney. Fred Lorz of the Mohawk Athletic club. New York, chased Fowler the entire distance, being on even terms with him at the eleven-mile mark and finishing second in 2:46:15.

The two veterans so completely outran the field that it was more than ten minutes before William Weisman of South Boston, the third man, reached the finish. The runners were sent away at noon un-der nearly perfect weather conditions, for the roads were hard and the severe weather of the morning had moderated.

Fowier dashed into the lead and gained the distinction of being the only winner of

S.S.S. BLOOD POISON

No case of contagious blood poison is ever cured until the last particle of the virus has been removed from the circulation. The least taint left in the blood will sooner or later, cause a fresh outbreak of the trouble, with all its hideous and destructive symptoms of ulcerated mouth and throat, copper colored splotches, falling hair, sores and ulcers, etc. No other medicine so surely cures contagious blood poison as S. S. S. It goes down into the blood and steadily and surely drives out every particle of the infection. It absolutely and perfectly purifies the blood, and leaves this vital fluid as fresh, rich and healthy as it was before the rich and healthy as it was before the destructive virus of contagious blood poison entered the circulation. S. S. S. quickly takes effect on the blood, and gradually the symptoms disappear, the health is improved, the skin cleared of all spots, sores and other blemishes, the hair stops coming out, the mouth and throat heal and when S. S. S. has cleansed the system of the poison no trace of the disease is left. S. S. S. cures contagious blood poison because it is the greatest of all blood purifiers, tested and proven for more than forty years. get the signature of Cyclone Thompson to a set of articles whereby he agrees to meet Pete Sullivan in a fistic contest at Pocatello, the promoters have at last reached a point where they believe they are safe in announcing that the contest will come off next Friday night. Thompson has been in Chicago and it has taken some time to complete arrangements. A wire was received at Pocatello yesterday stating that Thompson and his manager had left Chicago on Friday for Pocatello, and that all of the arrangements were agreeable.

Thompson will then go on to Pocatello to finish his training, while Sullivan will continue working here in Salt Lake. It has been practically agreed that Tom Painter of Evanston will be the referee. The contest is slated for twenty rounds.

Sullivan, who is well known in Pocatello, will finish his training in Sait Lake. The northern fight fans, especially many of those who will be on hand for the fight from the northern from the northern towns, have seen Sullivan in action and know what he can do. Cyclone, on the other hand, is more of a stranger and by working in Pocatello the fight fans of that part of the country will be able to get a line on him, and see just what he can do in the way of scrapping. Locally it is believed the fight will be a good one which would accept the same of the same control of the same care of the good one, which would naturally attract the crowds, but the real reason is that Salt Lake is fight hungry and will not, therefore, mind a little trip of a few hun-dred miles to see the real thing once more.
